Dear Judge Broderick,

Mr. Glass was expected to submit this letter to you almost 2 weeks ago informing you of the change of counsel, but he did not submit it. Approximately 2 weeks ago Mr. Glass and I have agreed to part ways in this litigation due to irreconcilable differences regarding litigating this case. I am requesting a 60-day extension until I can secure new counsel for this matter, especially since I am uncomfortable doing a deposition without an attorney. I am requesting this extension because it is difficult to find an attorney who is willing to take the case in the middle. If you could grant this extension that would be greatly appreciated.

Respectfully submitted,

Ahmed M. Elgalad
